### Invitation of Bids for Geotechnical Investigations (Field and Laboratory Works)

Dear Sir,

Sealed bid (Technical and Financial in separate sealed envelopes) is invited in accordance with the attached BOQ and qualification criteria from drilling firms for carrying out the geotechnical investigations for the subject project.

The companies capable of carrying out subject work are requested to provide their Company's Profile and the following documents along with their sealed bids:

1. PEC Registration Certificate
2. FBR & PRA Registration Certificates
3. List of Similar Projects completed during last three years
4. Financial Capability
5. Equipment Capability
6. Personnel Capability
7. Litigation History
8. HSE Policies

The work comprises; excavation of testpits, performance of field density tests (FDTs) in testpits, collection of disturbed soil samples and laboratory testing of selected soil samples. The field work shall have to be completed within fifteen (15) days time following issuance of Letter of Award. The whole work including laboratory testing shall have to be completed in twenty five (25) days time following award of work.

Your bid shall be valid for a time period of ninety (90) days after the bid opening. **The work shall be executed under the instructions and full-time supervision of NESPAK engineers/geologists and the successful bidder shall mobilize to the site on three day's notice after issuance of Letter of Award/Acceptance.**

**The coordinates and ground elevations of all the testpits by total station shall have to be provided to NESPAK before completion of investigation at site by the Contractor.** The approved laboratory, where testing is to be carried out, shall be pursued by the successful bidder for timely completion of the assigned laboratory testing.

The successful bidder shall be responsible for providing the field testpit logs, summary of samples recovered, summary of laboratory test results and detailed laboratory test results to NESPAK, within the contract period. **A premium of up to 25 % will be admissible on the official rates of the soil laboratory, selected for testing of samples. This premium has been allowed as compensation to the Contractor for making advance payment to the laboratory and later following-up for obtaining test results in time. The name of the laboratory should be provided on page 2 of 2 (Annexure-1).**

**The bidders shall submit a bid security amounting to 5% of bid price at the time of submission of bids in the form of pay order or bank draft in favor of M/s NESPAK.**
