

TENDER NOTICE FOR PROCUREMENT OF GEOPHYSICAL BOREHOLE LOGGING SYSTEM

National Engineering Services Pakistan (Pvt.) Limited (NESPAK), invites sealed bids (single stage two envelopes bidding procedure) from active GST registered firms for the procurement of the following items. This Geophysical Borehole Logging System must be compatible with ABEM Terrameter LS-2 or equivalent. The details of the required equipment are as follows:

Sr. No.	ITEMS	QTY.
1	Borehole logging to 300 m depth	1
2	Multifunction cable	1
3	Reference electrode set	1
4	Cable tripod with mechanical odometer	1
5	Compatible Software for Processing, Log calculations, Editing and interpretation test	1

BOREHOLE LOGGING SYSTEM SPECIFICATIONS:

- Cable length 250m to 300 m
- Cable Markings Every Meter
- Sonde Diameter 35 to 40 mm

CAPABLE OF FOLLOWING SURVEYS:

- Short normal resistivity and induced Polarization
- Long normal resistivity and induced Polarization.
- Lateral Resistivity and induced Polarization.
- Fluid resistivity
- Self-Potential
- Temperature
- Water Level Indicator.

TERMS & CONDITIONS:

1. Sealed bids can be submitted on or before **April 18, 2024** till **11:00 a.m.** along with **Rs. 600,000/-** earnest money in form of pay order/CDR/Bank Draft in the name of National Engineering Services Pakistan (Pvt) Limited. Bids will be opened on the same day at **11:30 a.m.** Pay order of supplier approved by the committee will be retained till completion of supply order. In case of non-compliance of the purchase order, earnest money will be forfeited and purchase order will be treated as canceled.
2. All quoted items should have minimum one-year comprehensive warranty.
3. Bids in Pak rupees, must include all taxes and charges.

4. Bids received without earnest money and after due date and time shall not be entertained.
5. Brochure/Technical Literature of the quoted items should be submitted.
6. Authorized Dealers/Distributors of Original Equipment Manufacturer (OEM) are eligible to bid only. Offers without Authority letter will not be entertained.
7. Successful Bidder will provide Local Training to NESPAK Team, after the supply of equipment.
8. Calibration certificate/methodology of calibration of logger is also required.
9. Technical Comparison is needed to be submit along with bids, keeping in view tender specifications.
10. Supply of said items shall be made within 6 weeks of issuance of purchase order by NESPAK.
11. All firms having non-availability of above said specifications in their equipment will be rejected.
12. No advance payment will be made by NESPAK. Payment will be released within eight weeks of supply of approved stock as per purchase order.
13. Sales Tax, Income Tax and other Taxes shall be deducted as per Government rules.
14. Interested suppliers must attach GST & NTN certificates (Copies) along with bid; otherwise, bid will not be entertained.
15. Logger operations in Pakistan should be compatible with local environment/temperature conditions.
16. At least 01 Performance certificates should be provided.
17. This advertisement is also available on NESPAK (www.nespak.com.pk) website.

NESPAK reserves the right to accept or reject any/all bids according to provisions of Public Procurement Rules
