6. Scope of Work

The companies selected would provide vehicle rental services to NESPAK on as and when needed basis with the following to be observed:

The rental vehicles provided to NESPAK must be in excellent condition and not older than 2014 model. The rental vehicles will be required on need basis. The vehicles must be equipped with complete toolkit e.g. spare wheel, wheel change kit, battery jumper cable, vehicle tow cable etc. In case of visit to remote area must carry the jerry can for extra fuel.

The vehicle rental company will be responsible to ensure that the vehicles provided to NESPAK are fully maintained and are physically in absolute perfect condition for travelling. However, in an event that a vehicle breaks down, the vehicle rental company will arrange for its immediate replacement without delays on its own expenses.

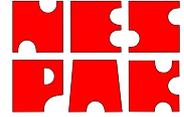

Trackers must be installed in all vehicles and tracking reports will be shared with our representative on required basis. All government taxes including route permit, token tax etc. shall be cleared by bidder.

The Contractor shall ensure that the vehicles are fully covered by all necessary insurances in case of accidents; i.e. comprehensive insurance. If fully comprehensive insurance is not in place, the cost of any subsequent damage or loss of vehicles shall be borne by the Contractor.

The Contractor may have at its own cost acceptable medical, life and disability insurance for the driver. Provided vehicles must at all-time be in a 100% roadworthy condition and be clean and tidy inside.

Contract will be signed for one (01) year initially, which shall be extendable for another two (02) years starting from the date of issuance of Letter of Intent.
